Notable features:

Numbers 41-43 are scheduled for demolition because of poor structural condition. This is too bad <u>but</u> may be necessary. Number 41 is a fine old house with unusual lintels. Number 43 is later and has been modified in ugly ways. Loss of these houses will open up the block in a visually destructive manner unless the interior becomes parking, in which case this space may be a visual introduction and link to the Market.

Environmental context:

Numbers 41 and 43 are boarded up and condemned. Opposite a fair row which also needs assistance. The construction in the bed of S. Arlington is related to the expressway and is, unfortunately, to remain through the fall of 1976.

*Numbers 41 and 43 were demolished on 7-29/30-1975
